BOOK SYNOPSIS

BENOIT DENIZET-LEWIS, one of the most perceptive and interesting journalists writing today, takes us into some unusual precincts of American society in *American Voyeur*. Denizet-Lewis made news with his *New York Times Magazine* cover story "Double Lives on the Down Low," included here, which ignited a firestorm by revealing a subculture of African-American men who have sex with other men but who don't consider themselves gay. In *American Voyeur*, he also takes us inside a summer camp for pro-life teenagers, a New Hampshire town where two young brothers committed suicide, a social group for lipstick lesbians, a middle school where a girl secretly lives as a boy, a college where fraternity boys face the daunting prospect of sobriety, a state where legally married young gay men are turning out to be more like their parents than anyone might have suspected, a high school where dating has been replaced by "hooking up," and other intersections of youth culture and sexuality. Peer behind the curtain of modern American life with this remarkable collection.
