## **BOOK SYNOPSIS**

The sacred history and profane present of a substance long seen as the essence of health and civilization. For millennia, fresh olive oil has been one of lifes necessities- not just as food but also as medicine, a beauty aid, and a vital element of religious ritual. Todays researchers are continuing to confirm the remarkable, life-giving properties of true extra-virgin, and "extra-virgin Italian" has become the highest standard of quality. But what if this symbol of purity has become deeply corrupt? Starting with an explosive article in The New Yorker, Tom Mueller has become the worlds expert on olive oil and olive oil fraud-a story of globalization, deception, and crime in the food industry from ancient times to the present, and a powerful indictment of todays lax protections against fake and even toxic food products in the United States. A rich and deliciously readable narrative, Extra Virginitiy is also an inspiring account of the artisanal producers, chemical analysts, chefs, and food activists who are defending the extraordinary oils that truly deserve the name "extra-virgin."

### **EXTRA VIRGINITY THE SUBLIME AND SCANDALOUS WORLD OF OLIVE**

**OIL** - Are you looking for Ebook Extra Virginitiy The Sublime And Scandalous World Of Olive Oil? You will be glad to know that right now Extra Virginitiy The Sublime And Scandalous World Of Olive Oil is available on our online library.
