## **BOOK SYNOPSIS**

From street cop to chief, this guide develops a wide-range of ethical leadership skills applicable to all police ranks. Moving beyond incident-driven techniques, the book embraces problem-oriented, intelligence-led policing and integrates both ethics and leadership concepts. This edition includes two new chapters to address today's environment—one on Homeland Security and one on strategic policing. New case studies, examples and applications appear throughout the text and help officers develop essential ethical leadership competencies. For courses in Police Leadership, Administration, Management, Ethics and Supervision.
