BOOK SYNOPSIS

If you think the alphabet stops with Z, you are wrong. So wrong. Leave it to Conrad Cornelius oDonald oDell (with a little help from Dr. Seuss) to create an entirely new alphabet beginning with Z! This rhyming picture book introduces twenty new letters and the creatures that one can spell with them. Discover (and spell) such wonderfully Seussian creations as the Yuzz-a-ma-Tuzz and the High Gargel-orum. Readers young and old will be giggling from beginning to end . . . or should we say, from Yuzz to Hi!
